THE HUB EAST AFRICA * THE HUB for ENTREPRENEURS

"The Hub East Africa really pushes you to be your best - more even than you realized you had in you."

THE HUB EAST AFRICA

The Hub East Africa is The Hub for Entrepreneurs:

We support entrepreneurs in their complete journey from ideation to being the proud owner of an economically sustainable business.

We provide trainings, mentor/coaching, financing solutions through our partners as well as desk/office/meeting space at affordable price in an inspirational environment...

We offer four types of memberships to our customers: Inspire, Inspire Plus, Illuminate and Co-Working.

INSPIRE

As a starting entrepreneur you have the ambition to grow a profitable and sustainable business. You have an idea or might have even started your venture.

We organize different activities for starting entrepreneurs to challenge you on your business idea and to get the best out of yourself.

You enjoy the beginnings of your journey and you like balancing ideas with peers and professionals.

You like to get inspired...

INSPIRE PLUS

You are a starting entrepreneur who - in addition to getting inspired - is also looking for a business partner to support you in executing your goals and milestones.

You appreciate getting personal coaching to hold you accountable and push you at times when needed.

You appreciate brutally honest feedback aimed at helping you to grow your business beyond your imagination...

INSPIRE * INSPIRE PLUS

ILLUMINATE

You are an experienced entrepreneur already running a startup or small business for about one to two years.

You have had your ups and downs but continue to see opportunities to grow and scale beyond family and friends. You are committed to continuous self improvement and want to professionalize your business to create your market.

You are looking to get challenged on the fundamentals of your business strategy and its operations...

ILLUMINATE

CO-WORKING

You are an entrepreneur or startup looking for affordable desk or office space in an inspiring environment and you welcome support to get your venture off on the right track.

As a resident member, you can join activities and workshops at your leisure, while having full time access to our personalized business coaching.

We offer complementary Wi-Fi, back-up power, a library with business books/magazines and a kitchen with microwave at your service. When taking up desk or office space you join our Illuminate membership automatically.
